Turnitin Service Alert

We will be starting our scheduled maintenance shortly.

Planned Turnitin Maintenance: Saturday, March 17, 2018

The following Turnitin services will be unavailable:

Turnitin and TurnitinUK (including all integrations)

Feedback Studio for iOS

iThenticate

WriteCheck

To ensure that services remain stable, particularly during high submission periods, this maintenance will include several hardware updates and performance improvements.

When will services be unavailable?

PDT March 17 8am - 2pm

GMT March 17 3pm - 9pm

AEST March 18 1am - 7am

(click here for your local time zone).

How will you be affected?

While we'd love to provide an uninterrupted service, our machines require a health check every now and again…

Users will be unable to submit and grade during this maintenance window, so please ensure that any submission deadlines are adjusted to fall outside of the window.

Thanks for your patience!
